Dear Mr Funnell,

Thank you for returning the agreed Undertaking, duly signed.

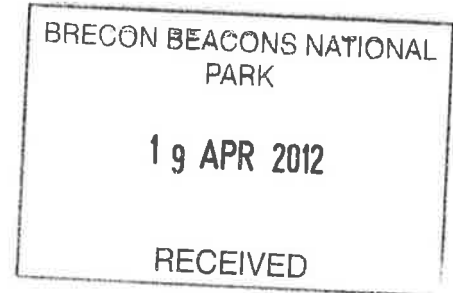

This has now been countersigned by the ICO's Head of Enforcement and will shortly appear on our website. A copy of the fully-signed document is hereby enclosed for your records. The original will be kept by the ICO. We would be grateful if you could forward the enclosed copy to John Cook, Chief Executive.

I would remind you that breach of the terms of an Undertaking is likely to lead to formal enforcement action by the ICO. However, I am pleased to advise that I now consider the matter as closed.

Thank you for your co-operation during our investigation.

Yours sincerely,

Nathan Harrison (obo Andrew Allan)
Lead Case Officer – Enforcement
